

Rio de Janeiro, 18.06.1990

Dear Mrs. Tine Lykke Prado,

It's with great pleasure that we hereby confirm the holding of the exhibition of works of the danish artist Lise Malinovsky in november 1990 here in School of Visual Arts - Parque Lage.

Besides, we would like to add, that it's of great interest to School Visual Arts to introduce the work of this fine danish artist to the public of Rio de Janeiro.

We must, however, let you know that School Visual Arts has a non-profit status, so we can only take on the publicity of the event, but unfortunately, not finance the printing of the invitations and catalogs, while although this a well-know cultural institution, supported by the State of Rio de Janeiro, it lacks sufficient resources to meet these expenses.

Yours sincerely
